[EPA-R07-OAR-2015-0134; FRL-9924-43-Region 7]

**Approval and Promulgation of Air Quality Implementation Plans;
State of Missouri; Reporting Emission Data, Emission Fees and
Process Information**

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve revisions to the State Implementation Plan (SIP) and the Operating Permits Program for the State of Missouri submitted on October 2, 2013. These revisions remove definitions that were in this rule but have been moved to the state's general definitions rule. These revisions also clarify the information required in emission reports and clarify the types and frequency of reports for the emission inventory. In addition, a revision to the emission fees section of this rule is being clarified so that the current emissions fee is only applicable for years 2013, 2014, and 2015 as set by Missouri statute.

DATES: Comments on this proposed action must be received in writing by [INSERT DATE 30 DAYS FROM THE DATE OF PUBLICATION IN THE **FEDERAL REGISTER**].

SUPPLEMENTARY INFORMATION: In the final rules section of the **Federal Register**, EPA is approving the state's SIP and Title V revisions to 10 C.S.R. 10-6.110 "Reporting Emission Data, Emission Fees, and Process Information" as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no relevant adverse comments to this action. A detailed rationale for the approval is set forth in the direct final rule. If no relevant

adverse comments are received in response to this action, no further activity is contemplated in relation to this action. If EPA receives relevant adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed action. EPA will not institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on part of this rule and if that part can be severed from the remainder of the rule, EPA may adopt as final those parts of the rule that are not the subject of an adverse comment. For additional information, see the direct final rule which is located in the rules section of this **Federal Register**.
